Dear Dave,

Enclosed you will find a copy of my letter to Hally concerning the PEK controversy. I did not have time to produce a thorough analysis of the correspondence but I am in full agreement and sympathy with Hally. (Mel likewise.) ^{referring to} Why in the world does the venerable Doctor insist on ~~saying~~ calling certain men in the Synodical Conference as "brethren"? Is he just purposely being obstinate and refractory in spite of that which we discussed at the Special P. Conf. last Summer? Does he hold a personal grudge against Hally (and also you)? O, how Satan is working with all his wiles and craftiness to tear apart the OLC. May we always remember that it isn't the OLC which is important but only the pure teachings of Scripture.

Al, too, has become a very great disappointment to me. His actions at the Widmot Past. Conf. and subsequent letters to me have been very discouraging. Shortly after the Conference I received a very unbrotherly letter from him implying that I must have had some ulterior motive for wanting ~~to~~ read the letter which Barry had addressed to the Conference. He still thinks that there is something in that letter attacking him or his brother Ott in spite of the fact that I most earnestly assured him to the contrary at that Board meeting, and also told him my reasons for wishing it read, namely, to help clear the situation up in the minds of the bewildered students. Certainly, as President of the Conf. he has a right to the letter which in January he vehemently refused to see and I would be happy to send the letter to him if he would retract his insinuations ~~of~~ and request it in a decent, brotherly, and charitable manner.

So long for now. Love to Cordi and the children.

Your brother,
